World Wind Energy Conference 2023

Download page

for "Renewable" documents

(The provision of other conference material such as PowerPoint presentations is being handled separately.)

The documents are easier to navigate if they are downloaded then opened using a reader such as Adobe Acrobat Reader DC instead of opening them a browser.

** If the links on this page don't work, see the HELP section below.

1. Renewable Terms

is **NOW AVAILABLE.** Click on this link:

renewable-terms-doc.pdf

2. Renewable Words

is **NOW AVAILABLE.** Click on this link:

renewable-words.pdf

3. Renewable Proposals `NEW!`

is **NOW AVAILABLE.** Click on this link:

renewable-proposals.pdf

4. Renewable Ways

will be available soon, possibly by about 8 Dec2023. (This document is being made more comprehensive than originally planned.)

Downloadable presentation

My downloadable presentation "**Joining the generative artificial intelligence revolution"** will also be available soon. It will be accompanied by a supporting document.
